Memorandum for: The Director

Subject: Senate Appropriations Committee

1. Yesterday's defeat of Senator McKellar will bring Senator Carl Hayden of Arizona to the Committee chairmanship in a Democratic Congress. The number 2 man will be Senator Russell of Georgia. In a Republican Congress Senator Bridges of New Hampshire will be the Committee Chairman, with Senator Ferguson of Michigan as the number 2 man.

2. You will recall that our dealings with Senator Hayden have been most cordial and friendly and it will doubtless be very helpful to have him in this position, although our main contacts will probably continue to be with Senator O'Mahoney on appropriations matters.
